Sometimes the road is a long one  
And pain and trouble beside us awhile  
Be not afraid, only believe  
God's hand is in yours through your trial

Sometimes the night is a dark one  
The morning seems ages away  
Be not afraid... only believe  
He is with you till breaking of day

And soon comes the brighter tomorrow  
Casting aside all that is dim  
He cares for you... be not afraid  
Only believe in Him

Dear Jack, —  
I have been following your entire case and your trial and I want you to know that I sympathize with you, for, I'm sure you are a great believer in democracy and liberty for all.

The assassination of President John F. Kennedy touched deeply, almost everyone in the United States, for he was the SYMBOL of democracy, justice and freedom, and I don't think the U. S. A. will ever have another man, like JFK, in the white house again.

I predicted he was going to be President of the United States and dedicated a song to him: "AMERICA EVER FREE" which he accepted; copy of his letter, (photostat) you will find enclosed with the music sheet, for,

I want you to have a copy.  
"AMERICA EVER FREE" shall be the  
METTO of every true American.

Two months ago I made a  
DANCE-ROCCAD of the song but I  
could not be lucky enough to  
send one to T.H. However, his  
wonderful principles shall never  
die, for, he did not die in vain,  
I'm sure.

I wanted to send you couple  
of records (not for sale) but I don't  
know if you could play it  
and hear it. Let me know if you  
can and I'll send couple to  
you.

Do not discourage yourself  
and have faith in God and then  
in man.

You shall be acquitted!

God bless you.

Truly yours

 Dear Sir:

Dear Sir:  
Are you a republican or a Democrat?  
The public wants to know, what the  
Jury is? Republicans, or Democrats?  
Is each Party in conflict it will  
be a republican jury. State what  
will mine, dollar the poor city  
in the state of Texas.

Not only was Jack Ruby in shock and insane. But all of us who loved President Kennedy were insane from shock.

There is no question about it.  
Like all of us, Ruby was insane.  
Who wasn't?

Our President Kennedy. I stated  
Our World turning. Our men went  
back to work, we could afford  
Milk and Meat for our homes,  
Milk and Meat helped our Children  
to grow less and less Charity  
Hospitals

It was, so the following class of people, by the Hoodoo Kaya, native President Kennedy was elected

IV

The leaders of republicans have  
the heart of Hitler. It that is  
what the party is made and  
dictated D. was Co. G. Captain  
and put Rube to death. And  
says our top money to go golfing  
with Rube. Worcester. But  
C. I. how make Quinsgate,  
because, in P. Child they were  
under-morale, their little mother  
waited, at the thought of Bacon, State  
with a large school of youth.

We are CASPARS So was  
our President Kennedy.

I say as most of our world  
would say - Let Rube free.  
and stop trying, and doing it,  
making publicity.

News on television, also our  
name of Pers, have nothing  
interesting any more, the tall  
publicity, propaganda -

It is pretty bad, when a  
uneducated person such as I  
can see through such a show  
and become so disgusted I

had to write and get it off.  
 are out of my system.

I didn't see the Oswald Killing  
 on TV. And those who did see it  
 can only swear they seen it  
 on TV. I can swear I seen  
 soap bubbles come out of Peoples  
 Mouths here and see on TV. to.  
 I can swear, I seen Super Man  
 fly through the sky. But that  
 also was on TV.

If Jack Ruby did take such a chance  
 and did kiss Oswald, he was in  
 the same state of mind the world  
 was suffering. But he had gutters  
 that even if Oswald lived, he could  
 have broke down under the strain.  
 And there would have been trouble.  
 For his testimony could have involved  
 some of our wanted to be Republican  
 Presidents. Some are wrong Jim. Many lack  
 what no one has published who it was.  
 You in mind, however, for I believe in  
 the possibility of our Republican I have  
 seen. Just as I said, (I don't win)  
 I will get revenge if it's the last thing

iv

I do.

Public Wants to know. Are  
the people of Dallas, are Dallasians?

It is not Dallas, but the republicans  
already, before a trial, was killed  
there. I am not a party man.  
But I am Dallas the party man  
in feeling.

What are they? Educational narrow  
minded people?

I am not ashamed of what I  
have written.

But I will not sign my name  
as I have a little one to have  
in the world alone.

In case they want to see speech  
from a free American.

Good luck, and best wishes for  
Mr. Pugh.

I am not a party man. I am  
Gutter. He is a wonderful man.  
May the party man. And let a party  
man. Pugh will go free. Good  
Good. Dallas will be considered a party

My Brother -

When Jesus came to Bethpage unto Mount of Olives. He sent two disciples. Go into the village and you'll find an ass and a colt tied; loose them and bring them to me. And if any man says who wants them and what for? you must say the Lord hath need of them and he will send them.

Then, as the people hung Jesus on the Cross, there were two other men already on the Cross. One man said "Remember me when you come into thy kingdom." Jesus said "Today you shall be with me in paradise." (Was it not one man a thief, the other destroyed a life.

God sets free of those He is in need. God has your blue print of life from the day you were born. After the Court's lengthy ordeal you will receive freedom and forgiveness from God. I have shown you this simple fact.

Someday God will send a Pastor, with love, compassion, kindness and a very sweet person your way. Maybe yours to help build a mission someday. Remember that things here on earth will pass away, they do every day. But that little precious treasure up there in God's Kingdom will await you when you arrive, and all these that, trials, tribulation will be nothing, in comparison with the precious treasure God gives you.

- 3 -

I pray, I have given  
you, Comfort and peace,  
thru our Lord (Our Father)  
and a feeling of Contentment,  
a new hope in life with  
a new vision that God  
will receive all the glory.  
Maybe I am answering  
your prayer, sometimes  
God gives us words  
to perform.

I am Alpha and Omega.

I am not signing my name  
in this way only God will  
receive the Glory.

In Christ I remain  
I pray for you.

Remember God is omnipresent  
and He can read this letter  
the same as you and the  
writer He knows.

May God Bless you.

Dear Jack: Thanks for the reply to my letter. I did not know if it would ever be answered. I have since several the newspaper and along with this copy of letter.

You got some fine defense money. Walter & I tried to get in your pocket. Also getting barrel out of the picture. He took me the money & I wrote him then. I'm not in you. So on get to know you. This money \$7,944 & \$3.8. super quality for for negligence. I sent our newspaper a letter asking where Bobby Kennedy's money was 450 U.S. Marshall for the dept. situation sent to designate Chel. Miss. University and district and one man to protect. The Kennedy parade route in Dallas. That's not to make him safe. Well Jack I am 75 years of age and have a mass of postcard books in my lower back and left leg. I know Texas. I was a U.S. Army spy in Mexico under command of Gen. Bliss & Mills. Started 1916 Revolution. Shot up 8 and got shot up. Spent about 55 years in Mexico, California, Arizona, Texas, Alabama, Florida and each coast. That's the special work in Bar. That's how you I then around Jack, looked it over the soda, both books. You name it Buddy & I nor there Jack if the American people do not elect 100% American man to nation to public office and see that they are American this Government will let last another 5 years. Today is the birth day of Gen & Sen. George Washington, she said "Bury of foreign entanglements. What a hell of a mess our officials have made of that Command."

Well Jack I don't think I will be around much longer. I always get a kick out of the girl shows and only look at T.V. shows with the girls doing their act. So much enjoy seeing your shows. If more preachers saw more girl shows they would have more love for them. It has been said. Not only but live, but help somebody to live. Every morning, Am on my back period.

Keep your chin up. Could write more but don't know who all will read this. Don't let mislead to anyone on your side. Will keep jacking them until the old man upstairs stops me. Mike

Dear Mr. Ruby,

You have committed a murder. You have killed an assassin before he had a chance to be proven guilty, you have deprived the people of the United States of America to do justice, by doing it yourself in a moment of anger or insanity. You also deprived Oswald the chance to repent and maybe even to save his soul.

The motives why you murdered this man could be several. It could be that you were infatuated with communists (but I do not believe so) or you could have taken money to silence him for the communist party. The other motive could be that you wanted to show that if someone could murder someone you loved and respected you were capable of the mortal sin of murder to avenge his death. Whichever way

it was you must have been a little out of your mind or you would have not done it. In other words you are guilty of murder but of murder of an assassin a man that most surely did kill because he had involved it other attempts to murder.

I have been reading in the San Antonio light about the election of a jury for your trial. It seems to me that they are getting people that agree on a death sentence, and not only agree on it but say they can and will sentence you the chair because you are guilty.

Well, we all know we can put you there, but the question is if we may. They are doing to you what you did to Oswald, convicting you before a chance of a trial. "An eye for an eye and a tooth for a tooth," says the old testament. I want to remind them that we are not Jewish, we are Christians, Jesus commanded to love one another, to return kindness for unkindness and passed to us the commandments given to Moses by God and one of them was or

is "Thou shalt not kill". Now I say to you, we the people of the United States can put someone in the electric chair in self defense if the life and souls of other people is in danger by letting you live, but if you are repentant, if you see your guilt, if you promise not to lose your head and specially if you convert to Christianity your sentence should be life. I do not believe in the electric chair or death sentence unless it is as I said before for the safety of other lives and souls. We are Christians we should not kill. Your life in prison could save your soul and many souls who would give thanks for your living and may turn in anger because of your death or in pain like I would.

If someone kills we do not have to kill back, that is not justice it is vengeance. Justice would let you live in seclusion until death. Your soul then would be ready for death, and it would go to purgatory or Heaven or it would stay with you until Jesus returns. Now you may go to Hell, purgatory.

or Heaven. If you believe in Jesus you may be saved and attain eternity through Him by your death. You may have been baptized by desire, if you ever wished to have been like a Christian.

You, the Jews are the chosen people who brought Jesus to us. He was Jewish and fought those He loved, his own people, because He was to do the Will of God by dying on the Cross and rise and ascend to form His Church. I am a Catholic and I believe in my Church. As God manifests Himself to the Jews through the Holy Spirit, so has God and Jesus who are one have manifested Himself to me through the Sacrament of the Holy Eucharist.

Trust in God and ask for a Catholic priest and take instructions from him. You do not have to convert, but it may turn out better for your mental health and salvation than going to talk to the psychiatrists.

This prayer was taught to us by Jesus Christ. Our Father who art in Heaven, hallowed be Thy name; Thy
